

# CASINO NIGHT

Topsail's fully tailored themed Casino Nights can be as flamboyant or restrained as you wish. From a single Blackjack table aboard a traditional Thames Sailing Barge, to a full-on Las Vegas Casino aboard a Paddle Steamer with Poker, Roulette and more. Don't be nervous about having a flutter...guests will be given a set amount of 'fun money' to gamble with, to be exchanged for chips at the table of their choice. A Casino Manager and croupiers are all on hand to offer instruction for the novice gambler.
