

SPY FORCE

Spy Force, an undercover unit that works with the government, needs to recruit ordinary members of the public to help stop Mr Big cause chaos in the business world. You will rendezvous at the secret mothership on the Thames where you will be briefed by the mysterious agent 75, and then it is a race against the clock to stop a virus being let loose. Guests meet and interact with spies and undercover agents, undertake initiative tests, crack codes and decipher secret messages - either on land or on the river.
