

COCKTAIL MAKING

Topsail's exciting Cocktail Making Cruise, in conjunction with Squeeze Bar and Cocktail Academy is a fun and interactive way to entertain guests on the river. The cocktail making works well as a feature for a party, company incentive or networking evening, it is also a fantastic teambuilding event. Guests are invited behind the bar where the 'mixologist' will demonstrate how to make a particular cocktail - and then it's your turn! Cocktails include Daiquiri's, Mojito's, Caipirinha's and Cosmopolitans - to name but a few!
