

ENTERTAINING AT EXCEL

London's state-of-the-art conference and exhibition centre in Docklands naturally lends itself to entertaining on the water. With the exhibition hall located right on the Royal Victoria Dock, Topsail can provide ships and boats at the exhibition for hospitality. Moored at the quayside, exhibitors can use our vessels for break-out space and receptions during the shows for groups of 10 to 200 people. Boats can also be chartered to cruise from Trinity Buoy Wharf into central London or bring guests to Excel in the same way.

- Group size: Up to 100 guests aboard a Thames Sailing Barge when static at Excel, or choose a larger vessel
- Embark at Excel for static, and central London or Trinity Buoy Wharf for cruising
- Catering: We recommend canapes or bowl food
- Perhaps choose a theme to tie in with the exhibition?
- When cruising aboard a Thames Sailing Barge Tower Bridge opens exclusively for you and your guests!
