

LA CUCINA CALDESI COOKING PARTY

Topsail has joined up with Marylebone's renowned Tuscan cookery school, La Cucina Caldesi, to bring an exciting new event to London: cookery parties onboard our historic ships. Guests board a beautiful barge or river cruiser at a pier in the city, and soak in the sights before heading down into the saloon for a session of creative cooking, ending with a delicious meal they have helped to produce. As an extra treat, on Thames Sailing Barges, Tower Bridge opens especially for the group as they cruise under.
